My Fellow Lions!

Thank you for allowing me the distinct honor to serve as your District Governor. I am very excited to get to work because I know we're going to accomplish big things together in our district.

I would like to thank Immediate Past District Governor Lion Doug for his outstanding job and leadership this past year as our District Governor. I hope that we can maintain the momentum that he has started.

Our new International President Brian E. Sheehan has selected "Together We Can" as his personal slogan and message to Lions and the world. Each of us can do so much good on our own, but Together We Can make the impossible, possible. To accomplish big things, we all need to roll up our sleeves and do our part. And together, we can make our communities—and the world—a better place for all people.

**Together we can, and together we will.**

Mottos and slogans are important symbols for organizations. A good motto can help define an organization's value and purpose and inspire pride in its members. It's the promise an organization stands behind. I do think, however, that one of the best mottos of all is ours - **"We Serve"**.

I'd love to meet with your club in person, or better yet, invite me to help at one of your club's service projects.

If I can be of service to you or your club, please let me know.

Yours in Service,

*Lion Steve*

# Meet Brian E. Sheehan

## Our International President

As part of a four-generation Lions family, International President Brian Sheehan has always had big ideas about service. His life and career have been defined by family, small-town connections and kindness, and a passion for innovation and teamwork as the keys to creating ambitious solutions to the challenges we face.

President Sheehan's programs and initiatives will focus on four key priorities for Lions International that are critical to our mission of service.

1. Sharing the joy of being a Lion
2. Supporting our global foundation, LCIF
3. Thinking bigger when we serve
4. Advocating for local and global causes

### **Together We Can.**

**It's so simple, so fundamental, and so true.**

President Sheehan believes it. He sees it in his work, in his service and in his wonderful marriage to Lori—teamwork makes it all work. That's why Together We Can is his message to Lions, and the world.

We see it in our clubs every day. People uniting to build up our communities, to be the helping hand, to change lives. Together.

We see it in the work we do with Lions Clubs International Foundation (LCIF). We take on big life-changing projects that make our communities healthier, more vital and more sustainable. And we do it together.

Lions know we can't do it alone. To accomplish big things, we all have to pull together, roll up our sleeves and put in the work to make the impossible possible. And we do it with a smile because this is how we live, this is how we serve, and this is who we are as Lions.

Every day, we live out the simplicity, the necessity and the absolute beauty of Together We Can.

Thanks to everyone for making this one of the best Picnics we have ever served to the Campers in the more than 30 years that we have been doing this. For your records, we served approximately 200 individuals including 120 Campers, Family Members and Counselors.

There were 16 Clubs participating in the picnic with 72 Lions and Guests serving the Campers. With all these Lions we probably could have held a District Cabinet Meeting especially considering that among the Lions present, we had our District Governor, 1 Past Council Chairman and 4 Past District Governors still living by their Lions Motto and serving the Campers.

I've always said that this one project is the perfect way to end a club year and at the same time re-energize our members for the new year ahead. By your presence and participation, and the reaction of the Campers, Family Members and Counselors, you proved that long held feeling of mine to be true. I feel that we went back to our Lionistic roots by joining together to serve a need and to share fun and fellowship with each other.

I hope that you found this experience to be as positive as I did and we all hope that we can continue to serve the Campers of the Texas Lions Camp this same way next year and who knows, we might even make it larger.

Thanks for all that you do to make life a little easier for those less fortunate and as always, 'til we meet again, I remain,

In Service To You,

*Lion Mike*

## LSRF – Tribute to Lion and PDG Lytle H. Blankenship, PhD.

The International Association of Lions Clubs  
**DISTRICT 2-A2 Lions Sight Research Foundation**  
4502 Centerview Dr., Suite 120 --- San Antonio, Tx 78228 ---- (210) 326 3915

My Fellow Lions,

On May 27, 2022, we said farewell to the Father of the Lions Sight Research Foundation,  
**Lion and PDG Lytle H. Blankenship, PhD.**

A portion of his Obituary read: *“Lytle H. Blankenship passed away peacefully at home on May 24, 2022. He was born on March 1, 1927 in Campbellton, Texas to Sidney and Amanda Blankenship. He was predeceased by his parents, 15 brothers and sisters, and one son Kerry Jon Blankenship...”*

*Lytle graduated from Pleasanton, Texas and joined the Navy at the end of World War II. Upon receiving an honorable discharge, he returned to Campbellton and then hitchhiked to College Station with a brother and friend. He graduated from Texas A&M College in 1950 with a B.S. in Wildlife Management. He received a Master of Science from University of Minnesota and then went to Michigan State University to complete his Ph.D. in Wildlife Management...*

*Lytle was fortunate to have traveled around the world to North America, South America, Southeast Asia, the Caribbean, and Africa. He received an opportunity to work in Kenya in 1969 and moved the family to Nairobi, Kenya. He worked there for 3 years and indicated in his book (Trails That Lead Somewhere) that those were some of the most rewarding years of wildlife research.*

*He was a member of The Wildlife Society and served as a Section Representative and President from 1986-1988. He was an avid birder and served as the Region V Director for the Texas Ornithological Society. He was also a member of the Lions Club International and served as District Governor in 1981 and was instrumental in establishing the Lions Sight and Research Foundation.”*

We are fortunate that Lion Lytle was a prolific writer who felt an obligation to pass along his experiences and thoughts to family and friends, because we have an exact understanding of the man, the Lion, the Servant of God that he was while with us.

Among his writings: ***“My greatest successes in a life full of adventure include becoming a Christian in 1939, marrying Margaret in 1954, accepting a position to oversee a research project for Texas A&M in East Africa in 1969 and initiating the Lions Sight Research Foundation in 1982”... I came from a family of 14, all born with the help of mid-wives in a one room shack with no insulation, running water or indoor facilities. From parents who stayed together for 72 years, who struggled to see that all their children got an education in spite of the Great Depression and years of drought... In spite of my birth place and childhood ... I’ve climbed the highest peak in Africa, Mt. Kilimanjaro, and waded in the lowest of the Dead Sea...strolled across some of the driest landscapes in California, Mexico, Israel. I’ve collected plants in the headwaters of the Mississippi, fished in the Missouri and played with crocodiles and hippos in the Nile...had the privilege of presenting a paper to a delegation of stoic Russian scientists and to other scientists in Ireland, Scotland, Mexico City, India, and Dar es Salaam University in Tanzania. (I was) honored to be elected President of three major scientific societies. Yet, some of my most vivid memories recall the really downtrodden, the really “less fortunate”... I have seen enough to break one’s heart... But, the good news has been the work of the Lions who always seem willing to give of themselves for others. It makes me proud to be numbered among such an elite group of God’s Children.”***

He wrote a piece in 2013 that he had prepared for our Foundation Board when he determined that his health and the burden that Margaret had to bare to bring him to meetings wouldn’t allow him to be as active as he had wanted to continue to be. He told them about the formation of LSRF and its history and then said, ***“I can no longer ask Margaret to be a chauffeur just to please me. I noticed recently that she too is beginning to age, but, just as sweet, lovely, dedicated and devoted as the young lass I fell in love with in Pierre, South Dakota 60 years ago.”***

In a closing chapter of his book, Lion Lytle poses a question: ***“As each of us near the terminus of life – Have we fulfilled the obligation of our existence? Have we made an impression of long lasting benefit to our fellow man? Yes, there will be an end to the trails that lead somewhere, but have we travelled them well?”*** For Lion Lytle, we that were privileged to know him and work with him, say the answer is a resounding YES. Besides all of the lives he personally touched and made better, His Foundation continues to be of benefit to many.

We miss his kindness, his friendship, his tell it like it is manner, his mentorship, his never complaining no matter what he had to deal with. We thank him for being an encourager and an example of servant leadership, a warrior for good. We thank him for his vision, his steadfastness, and his nurturing of the Lions Sight Research Foundation.

Lion Lytle, we know that you are standing tall and smiling now. We ask our Lord and Savior to take you in his embrace and hug you for us all.
