Happy August Lions, LEOs, and Friends,

It was great to see so many Lions at our first cabinet meeting in July. There were 103 Lions from 25 clubs in attendance. A big thank you to the San Antonio Edgewood Lions Club for hosting the meeting. They did a tremendous job!

Our first district service project of year was a great success. With donations from every club in attendance, we collected lots of school supplies for the Edgewood School District. **Don't forget to have your club secretary enter your district school supply service project information in MyLion.** If you are having difficulty reporting your service in MyLion, please contact PDG Janie Garza (Stockdale), [link to email](#). PDG Janie can walk you through the process of logging on to the LCI website, navigating the app and entering your service project information. A service project isn't completely finished until it is reported in MyLion. That's how they know at LCI what impact we are having in our communities.

Congratulations to Lions Susan Kneupper (Converse) and Sarrah Flores (Eagle Pass Border) for winning free registration to the 2nd District Cabinet Meeting. It will be held on October 15th in La Vernia and hosted by my home club. I hope to see you all there.

At our second cabinet meeting, we will be focused on membership. Our state Global Membership Team (GMT) coordinator PDG Mark Roth (Houston Heights) will be our speaker. He will show us:

- How to improve and optimize the club member experience.
- Ways we can attract new members.
- How to help get clubs with declining membership get the support they need to rebuild their clubs.
- and how we can successfully target communities in our district that need a Lions Club.

When our clubs grow, so does the kindness we bring. It takes healthy clubs to keep our service going, our members happy and our communities strong. When we invite family, friends and neighbors to join us, we increase what we can do together. And the fun we have together. A healthy membership is the key to great service.

Being a Lion means making an impact through service. Being a Lion means you are part of a compassionate community. Let's make the service projects we love even better.

Together We Can and Together We Will!

I'd love to meet with your club in person, or better yet, invite me to help at one of your club's service projects.

If I can be of service to you or your club, please let me know.

Yours in Service

Lion Steve

Chaplain PDG Doug Thomas

My fellow Lions,

Today I was meditating on I Corinthians 12:14-26 in the Bible where St. Paul is equating spiritual gifts to parts of the body. St. Paul says is stating that each part of the body is important and no one part is any more important than any other. It is sort of like when the disciples were arguing about who was the greatest and Jesus told them that "If anyone wants to be first, he must be the very last and servant of all.

As Lions we need to remember that each one of us is important and what we do is important. We cannot be strong unless each Lion contributes his talents. As the District Governor says, "Together we can" and it is going to take all of us working to together to reach our goals. Don't think about who is more important but am I contributing my talents to make the body of Lions the best we can be?

There is a story that I read a long time ago that has stuck with me. The story comes from the turn of the 19th century and tells of a man looking out his window at dusk and seeing a blind lamplighter lighting the streets lights as the evening approaches preparing the way for others. He does this for others with no thought of personal gain. He is just making his community a better place.

As I begin my year as your District Chaplain, I think about us going forward lighting the way for others. But I also think about those who have gone before us lighting our way. We need to remember that we are important and what we do is important but not forget those who have gone before us and now rest from their labors. Please let me know when a member of your club passes so that we can remember them now and at our necrology service at the District Convention.

As I close, I want to remind you of what Bishop Fulton Sheen said many years ago: "If everyone lit just one little candle what a bright world this would be."

PDG David Splitek – Global Membership Approach (GMA)

Club Goals Come to Lions and It's Going to be Great!

*It is for us to pray not for tasks equal to our powers, but for powers equal to our tasks, to go forward with a great desire forever beating at the door of our hearts as we travel toward our distant goal. **Helen Keller***

I'm always impressed that Helen Keller has been teaching and challenging us since 1925 and she's doing it again as we approach the 100th anniversary of her "Knights of the Blind" invitation to Lions Clubs.

We are in the fourth year of the Global Membership Approach (GMA). It began in 2019 as the North American Membership Initiative (NAMI) and quickly expanded from its focus on growing club membership in North America to all seven constitutional areas, i.e. the entire world. So NAMI became GMA. We also moved from specific district goals prepared by each incoming governor and then shared with all clubs within the district. Recently we added specific goals for each zone within each district. Now we're challenging each club to set goals and share them back up through their zone to the district governor. In effect, district goals will become an aggregation of the club goals within the district. We're moving from top down to bottom up and it makes very good sense. Who know best about the challenges within a community than the local Lions club?

Our goals focus on membership, service and support for LCIF

Team Approach

LCI President Brian Sheehan points out that goals do not belong to individuals, nor are they created alone. Our goals, at the district, zone and club level are at TEAM effort. Our goals have continuity from one year to the next. We're not going to reinvent the wheel each year. Instead, the TEAM at every level will make minor adjustments to keep us all moving forward. Here are some highlights that make the process understandable and effective:

Begin with a needs assessment (Hint: 1st VP, check out the responsibilities in your job description)

- Look at the strengths and weaknesses within your club
- Look at the opportunities and threats within your community

- Write them down and then concentrate on club strengths and community opportunities as you determine your goals

Focus on three areas (one or two more if you're really ambitious)

- **Membership** (Add new members, keep current members happy and productive)
- **Service projects** (Add new ones? Drop some that may no longer be as important as they used to be)
- **Support for Lions Clubs International Fund** (Melvin Jones Awards, Model Club, etc.)

Create a SMART Goal for each area

- **Specific, Measurable, Achievable, Realistic. Timely**
- Designate an individual or club committee to lead the work on the goal and to report back to the club regularly
- Adjust a goal or goals as needed as the year progresses
- Celebrate your successes! Recognize your All Stars!

Here's a great example of goal that can work for your club: The Scintillating Lions Club will earn an LCI Club Excellence Award for 2022-2023. I'm looking forward to learning how many Lions Clubs in MD-2 reach that goal by June 30, 2023.

Have a great Lions Year and Stay Hydrated!

Hill Country Retreat Lions Club – Texas Lions' Camp

On July 2, 2022, the HCR Lions Club provided meal support to the TLC Campers and staff. The meal was prepared by the Kerrville Chick-Fil-A. Salads and drinks were prepared by the TLC Staff. Meals were assembled and served to the Texas Lions Camp campers and staff after they passed through our Line of Lions cheering them on. HCR Lions walked amongst the Campers passing out the much sought-after Blue Bell Ice Cream cups that originally had been donated by Blue Bell Creameries for the District 2-A2 picnic on June 24th. Talking with the families, finding where they live, and discussing their camp experiences was simply amazing and emotional. The Camper Families seemed to be enjoying themselves. The counselors were definitely having fun. The Ice Cream complemented a birthday cake of a counselor. The HCR Lions, TLC staff, and The Family Campers had a great time.
