Happy October Lions, LEOs, and Friends,

Can you believe it ... we are already into the second quarter of this Lion Year 2022-2023!

In October you think about fall, Halloween and Trunk or Treat. This year the Texas Lions Council of Governors are asking all clubs that participate in Halloween or Trunk or Treat Events consider conducting vision screenings during their October events. All kids (and big kids like us) get a treat and get their vision screened!

Let's talk about Membership...

At our second cabinet meeting, October 15, 2022, we will be focused on membership.

Some of the topics covered will be:

- How we can improve and optimize the club member experience,
- Ways we can attract new members,
- How we can help get clubs with declining membership get the support they need to rebuild their clubs and,
- How we can successfully identify communities in our district that need a Lions Club.

Register for the 2nd District Cabinet Meeting here ->

<https://district2a2.org/2nd-cabinet-meeting/>.

When our clubs grow, so does the kindness we bring. It takes healthy clubs to keep our service going, our members happy and our communities strong. When we invite family, friends and neighbors to join us, we increase what we can do together. And the fun we have together. A healthy membership is the key to great service.

Let's congratulate the following clubs that have added new members in MyLCI since July 1st:

- + Del Rio Host – 3 new members
- + Del Rio San Felipe – 5 new members
- + Devine – 4 new members
- + Eagle Pass Border – 1 new member
- + Eagle Pass Evening – 1 new member
- + Helotes – 2 new members
- + Hondo – 1 new member
- + Kerrville Host – 1 new member
- + San Antonio Bexar Necessities – 3 new members
- + San Antonio Central Park – 2 new members
- + San Antonio Edgewood – 1 new member
- + San Antonio Founder – 3 new members
- + San Antonio Lighthouse for the Blind – 1 new member
- + San Antonio North S A Hills – 1 new member
- + San Antonio Region 20 – 5 new members
- + San Antonio University of the Incarnate Word – 1 new member
- + San Antonio Windcrest – 5 new members

- + Stockdale – 1 new member
- + Uvalde – 1 new member

The strength of your membership and the health of your club will determine your ability to do what all Lions are called to do—serve. So keep in mind that more members means more hearts and hands to provide more service.

Speaking of Service...

To effectively tell our story, measure our impact and grow membership, it's critical that all clubs report service. Every project we participate in as Lions and Leos, no matter how big or small, is valuable in our journey of serving our communities and the world.

We have set a district goal of having 30+ clubs report completed service projects in MyLion before June 30, 2023. Since July 1, 2022, the following 13 clubs have already reported “completed” service projects:

- ✓ Bexar County China Grove
- ✓ Converse
- ✓ Del Rio San Felipe
- ✓ Eagle Pass Border
- ✓ Floresville
- ✓ Kerrville Host
- ✓ Kerrville Sunrise
- ✓ La Vernia
- ✓ San Antonio Area Family
- ✓ San Antonio Bexar Necessities
- ✓ San Antonio Hill Country Retreat
- ✓ San Antonio North S A Hills
- ✓ San Antonio West Side

If you have completed a service project since July 1 and your club is not listed here, be sure to remind your club secretary that a service project is not completed until it has been reported in MyLion. If you are having any difficulties reporting your service, please contact our District Administrator PDG Janie Garza (210-643-3217, pdgjanie2a2@gmail.com). She is ready to help!

Being a Lion means making an impact through service. Being a Lion means you are part of a compassionate community. Let's make the service projects we love even better.

Finally, don't forget to register for the 2nd Cabinet Meeting scheduled for October 15th and hosted by the La Vernia Lions Club. For more information, go to <https://district2a2.org/2nd-cabinet-meeting/>. While you're there, be sure to subscribe to our District News Flash if you haven't already. Our News Flash will help keep you informed about district news and events.

Together We Can and Together We Will!

I'd love to meet with your club in person, or better yet, invite me to help at one of your club's service projects.

If I can be of service to you or your club, please let me know.

Yours in Service

Lion Steve

Chaplain PDG Doug Thomas

My Lion friends,

I want to share with you a story that my brother sent me:

“You always hear the usual stories of pennies on the sidewalk being good luck, gifts from angels, etc. This is the first time I’ve ever heard this twist on the story. Gives you something to think about.

Several years ago, a friend of mine and her husband were invited to spend the weekend at the husband’s employer’s home. My friend, Arlene, was nervous about the weekend. The boss was very wealthy, with a fine home on the waterway, and cars costing more than her house.

The first day and evening went well, and Arlene was delighted to have this rare glimpse into how the very wealthy live. The husband’s employer was quite generous as a host and took them to the finest restaurants. Arlene knew she would never have the opportunity to indulge in this kind of extravagance again, so was enjoying herself immensely.

As the three of them were about to enter an exclusive restaurant that evening, the boss was walking slightly ahead of Arlene and her husband. He stopped suddenly, looking down on the pavement for a long, silent moment.

Arlene wondered if she was supposed to pass him. There was nothing on the ground except a single darkened penny that someone had dropped, and a few cigarette butts. Still silent, the man reached down and picked up the penny.

He held it up and smiled, then put it in his pocket as if he had found a great treasure. How absurd! What need did this man have for a single penny? Why would he even take the time to stop and pick it up?

Throughout dinner, the entire scene nagged at her. Finally, she could stand it no longer. She casually mentioned that her daughter once had a coin collection and asked if the penny he had found had been of some value.

A smile crept across the man’s face as he reached into his pocket for the penny and held it out for her to see. She had seen many pennies before! What was the point of this?

“Look at it.” He said, “Read what it says.” She read the words “United States of America.”

“No, not that; read further.”

“One cent?” “No, keep reading.”

“In God we trust? “Yes!” “And?”

“And if I trust in God, the name of God is holy, even on a coin. Whenever I find a coin, I see that inscription. It is written on every single United States coin, but we never seem to notice it! God drops a message right in front of me telling me to trust him? Who am I to pass it by? When I see a coin, I pray. I stop to see if my trust IS in God at that moment. I pick the coin up as a response to Go that I do trust in Him. For a short time, at least, I cherish it as if it were gold. I think it is God’s way of starting a conversation with me. Lucky for me, God is patient and pennies are plentiful!”

When I was out shopping today, I found a penny on the sidewalk. I stopped and picked it up and realized that I had been worrying and fretting in my mind about things I cannot change. I read the words, “In God We Trust,” and had to laugh. Yes, God, I get the message.

It seems that I have been finding an inordinate number of pennies in the last few months, but then, pennies are plentiful!

And God, be patient....”

Thank you, Guy, for sending this to me. And may we all have a blessed month putting our trust in God.

Thank you,

Lion Doug

Texas Lions Camp Update

Texas Lions Camp (TLC) is a totally amazing place. It is a camp for children from the State of Texas who have physical disabilities, vision/hearing impairments, and diabetes. Campers learn new skills, make friends, and have a great time. TLC is a place where children learn the “can do” philosophy to achieve maximum personal growth and self-esteem.

TLC’s bunkhouses initially were constructed beginning in the early 1950’s, and all have been renovated many times over the decades, including upgrades to comply with the Americans with Disabilities Act. After severe storms damaged Bunkhouses 1 and 2 in the spring of 2020, TLC accelerated plans to replace these buildings in 2021. These modernized facilities are going to be awesome for the campers. Construction is ongoing as you read this newsletter.

During the summers of 2021 and 2022, TLC was able to offer very successful Family Camps, to draw family units closer together. In 2023, TLC will return to having Residential youth camps, as well as having Family Camps, which President & CEO, Stephen Mabry, said are here to stay.

President Mabry said the “the Board and I fully intend to see a return to traditional youth camps in 2023. We are planning to offer week-long, residential youth camps in for children who have physical disabilities during the month of June, type-1 diabetes for two weeks of the first half of July and family camps for the remaining two weeks of July.”

2023 Camp Schedule		
Session 1	June 4-10, 2023	Children with Physical Disabilities
Session 2	June 11-17, 2023	Children with Physical Disabilities
Session 3	June 18-24, 2023	Children with Physical Disabilities
Session 4	June 25-July 1, 2023	Children with Down syndrome
Session 5	July 2-8, 2023	Children with Type 1 Diabetes
Session 6	July 9-15, 2023	Children with Type 1 Diabetes
Session 7	July 18-19, 2023	Family Camp
Session 8	July 21-23, 2023	Family Camp
Session 9	July 25-26, 2023	Family Camp
Session 10	July 28-30, 2023	Family Camp

Registration for TLC will open on January 3, 2023, through TLC’s website and will continue until all sessions are full.

All Lions should go to TLC! A great way to see this life-changing place is to participate in a workday to help prepare the camp for the summer.

The dates for the workdays are March 4, 2023, April 1, 2023, and May 6, 2023. Please see the website for more information and to register for a workday. (www.lionscamp.com/workdays.html).

Please contact District 2-A2 Camp Directors PDG John Lee or Lion Chris Ryan if you have any questions about TLC.

Eagle Pass Border and Eagle Pass Evening Lions Clubs – MESU Event

The Eagle Pass Border Lions along with the Eagle Pass Evening Lions helped out in an event with the MESU at the Consulado de Mexico. We had presidents from both clubs Dora Barfield and Alex Flores (pictured together). Our Lion members who attended were Lion Juliet Martinez and Lion Diana Jimenez also our club.

Collectively we served 60 people and truly made a heck of a difference in a couple lives, whether it was helping them find their reading glasses magnification to a couple of people with sever issues they had unknowingly neglected, I'm so glad we could come together to serve ❤️ a special thank you to Eagle Pass Border Lions for keeping us updated on this event!

Kerrville Host Lions Club – Lions’ Museum Service Project

The Kerrville Host Lions Club adopted the State Museum as a service project for this year. We meet there monthly to help in any way they can. Saturday, September 10th, the volunteers made conservation hangars for donated clothing, pieces and cataloged donated plaques. Our DG, Steve Mays, stopped by the Museum on another mission, so we got a picture with him, as well!
