Happy New Year, Lions of District 2-A2!

As we turn the calendar to 2026, I want to wish each of you a Happy New Year filled with good health, renewed purpose, and continued opportunities to serve. The holiday season gave me many chances to be out and about across our district, and I am grateful for the fellowship, service, and inspiration I experienced along the way.

I had the pleasure of attending the **Alamo Heights Lions Club Toys for Tots Christmas Celebration** at the Barn Door Restaurant on December 10th. The evening was rich with fellowship and holiday spirit, made even more special by the John Jay High School pop-tent. Their beautiful renditions of Christmas carol classics added an extra layer of joy to an already meaningful celebration in support of Toys for Tots.

(see following photo)

On December 14th, I attended **Lion Floyd Daigle's Celebration of Life**. It was heartening to see such a large and diverse gathering—not only from his Lions family, but also from his Tour Guide Association family. After the formal program, I had the opportunity to speak with his brother, Curt. During our conversation, Curt reflected on the difference between physical DNA and spiritual DNA, and how Lion Floyd's spiritual DNA was clearly designed for community service.

That reflection stayed with me. Later that afternoon, after returning home, I headed out for my usual weekend walk in McAllister Park. About two miles into my four-mile walk, near what we call Mosquito Lake, I reached a spot where the paved trail makes a sharp 90-degree turn. I happened to look up and noticed a Lion—about seven feet up in a tree.

My rational mind, or what Curt would call my “physical DNA,” immediately offered a logical explanation: perhaps as a family had strolled through the park, one of the children dropped the Lion, another hiker found it, and placed it in the tree so it might be recovered later. But my spiritual DNA—my Divine knowing—offered a different interpretation. I felt that this was Lion Floyd’s way of saying goodbye.

When I last visited Lion Floyd in the hospital on November 9th, I did not realize how close he was to passing. Each visit had felt more like an *au revoir*—“until we see each other again”—rather than a final goodbye. Seeing that Lion on the trail felt like a gentle closing of that chapter, and a reminder that the Lions legacy continues in ways both seen and unseen.

On December 18th, I enjoyed visiting with the **Poteet Lions Club**, where I listened in on their preparations for Cajun Fest in March and the Poteet Strawberry Festival in April. With the properties the club owns, their club operations resemble those of a for-profit business—but it is those well-run operations that enable the club to do tremendous good for their community. It was impressive to see Lions service paired with strong stewardship.

(see following photo)

My December was also filled with meaningful **service activities**. On December 13th, I participated in **Wreaths Across America** at Fort Sam Houston National Cemetery. For Lions who enjoy being active and serving outdoors, I encourage you to consider this for your service project lineup next year. Supporting Wreaths Across America strengthens community partnerships, enhances Lions' visibility, supports legacy-building, and—most importantly—honors our Veterans while teaching civic values.

On December 20th, I joined volunteers at the **H-E-B Feast of Sharing**. PDG Chris Lloyd brought together Lions from Kerrville Heart o' Hills, SA Windcrest, SA First Ladies, SA North SA Hills, SA Alamo Heights, SA Edgewood, SA Area Family, SA Northside, Converse, Del Rio San Felipe, and La Vernia Lions Clubs as well as Trinity University students to staff the Mobile Eye Screening Unit. Together, we provided free vision screenings and readers at no cost to those in need. Volunteers from **I Care** were also on hand to support MESU operations, and it is encouraging to see this collaboration continue to grow.

Closer to home, my own club—the **Windcrest Lions Club**—provided volunteers for **Fill-the-Boot** on December 25th and 30th in support of the Windcrest Volunteer Fire Association. In addition to collecting donations, my fellow Lions and I helped hand out maps for the annual Windcrest Light-Up, a decades-old holiday tradition where residents decorate their homes with elaborate light displays. It was a wonderful example of Lions supporting community traditions.

As we look ahead, I encourage everyone to [register](#) for the **Mid-Winter Conference** in Fredericksburg on **January 16th and 17th**. It promises to be a great opportunity for learning, fellowship, and re-energizing for the remainder of the Lions year.

I also ask that any Lion who is interested in holding a **district-level leadership position** during the 2026-2027 Lions year to please self-identify and reach out to me and **FVDG Jeffrey**. We are actively looking ahead and welcome those who feel called to serve at the next level. It's time to fill the slate!

As we embark on the second half of the 2025–2026 Lions year, I challenge each club to get after those **Club Excellence—or “damn near Club Excellence”—qualifying criteria**. We have accomplished much together, but there is still so much more to do. I am confident that, together, we will continue to make a meaningful difference across District 2-A2.

Thank you for your service, your leadership, and your commitment. We have a lot yet to accomplish—together.

With pride and gratitude,

Lion Nanette

ALAMO HEIGHTS LIONS CLUB & TEXAS LIONS EYEGLASS RECYCLING CTR
Free Postage to Mail Eyeglasses to the Texas Lions Eyeglass Recycling Center
by Lion Norman Fulkerson

The USPS Publication 347 dated October 2015 spells out how to mail glasses for recycling to the Texas Lions Eyeglass Recycling Center in Midland, Texas.

The publication states that individuals and noncommercial organizations which serve eligible persons (i.e., those who require glasses). No advertising is allowed.

The box or envelope must NOT be sealed. The boxes must have the words "FREE MATTER FOR THE BLIND OR THE HANDICAPPED" in the upper right corner of the address side of the envelope or parcel where postage is normally placed. The words may be printed, rubber stamped or handwritten. See the form below.

The mail is not considered a specific class of mail. If you wish to insure the item, you may pay the required insurance fee.

The Postmaster at my Post Office says they will accept boxes up to the size of a Banker's box or the size of the box that comes with 10 reams of paper. I have found the 10-ream paper box weighs about 20pounds when full of eyeglasses.

Note From Lion Jeffrey Almoney, Our First Vice District Governor:

Dear Fellow Lions,

As we step into a new year, I hope this message finds you all in good spirits and ready for another chapter of service and camaraderie.

Membership: Our Lifblood

First and foremost, I want to emphasize the critical importance of membership. Our ability to serve our communities effectively hinges on the strength and diversity of our membership. Each new member brings fresh ideas, unique skills, and renewed energy to our cause. As we embark on this new year, I urge each of you to reach out to friends, family, and colleagues who share our passion for service. Invite them to a meeting, involve them in a project, and show them the joy of being a Lion.

Expanding Our Pride: New Clubs

In addition to growing our existing clubs, we're actively seeking opportunities to establish new Lions Clubs in our district. If you know of a community that could benefit from a Lions Club presence, please don't hesitate to reach out. Your insights could lead to the formation of a new club, extending our reach and impact.

Join My Cabinet: A Call to Leadership

As your First Vice District Governor, I'm in the process of assembling a dedicated cabinet to support our district. If you're passionate about taking on a leadership role and contributing to the strategic direction of our district, I encourage you to consider joining my cabinet. We need diverse perspectives and skills to tackle the challenges ahead and seize new opportunities. If you're interested or would like to learn more about available positions, please contact me directly

Working Together for Success

If we all work together, we can help District Governor Nan achieve her district membership and new club goals.

A Year of Possibilities

As we bid farewell to the past year and welcome 2026, let's recommit ourselves to the ideals that brought us together as Lions. Each act of kindness, no matter how small, ripples outward, creating positive change in our communities. Let's make this year our most impactful yet.

In closing, I want to extend wishes for a Happy New Year to each one of you. May 2026 brings you joy, good health, and countless opportunities to serve. Remember, together, we roar louder and reach further.

In service and friendship,

Lion Jeffrey

Note From Lion Joseph Guerra, Our Second Vice District Governor:

Happy New Year Lions of District 2A-2,

I hope everyone had an opportunity to rest and reenergize during the holiday season and know that many clubs had service projects going even during the Holidays.

MESU Feast of Sharing:

We had many local lions show up to help the MESU at the Feast of Sharing event sponsored by H.E.B. The many lions who attended were in a jovial mood and ready to work. Thank you Lion PDG Chris Lloyd for this opportunity.

Membership and Club Growth in District 2A2:

Now from the good let's look at the membership metrics from the Lion portal for District 2A2:

As you can see, after doing so well in the previous months, we ended 2025 -26 in negative growth, we did have one major reason for this. We have lost three Clubs - Bruni, Laredo Noon and Yellow Rose have all been cancelled. This is a significant loss not only to the district but to the communities they serve. We cannot afford these types of losses in the future and must stive to build and rebuild clubs to provide the needed service to the community. We must strive to do better in this area. I cannot answer the question as to why these clubs stop functioning all I can do is to try and assist at reviving them and finding new blood to continue to build. Let us continue to look for new ways to engage new members, always remember that if ask someone that shows and interest to come to a service project that may be your next new member.

Yours in service,

Lion Joe

HERB C. PETRY, JR. “HALL OF FAME” REQUIREMENTS

Elevation of Lions of District 2-A2 into the Hall of Fame is bestowed upon one who has been outstanding in using their time, talents and resources to further the cause of humanitarian service. Selection is made by the Hall of Fame Committee.

Minimum standards to qualify are:

- Be an active member with at least 15 years of service.
- Having provided outstanding and dedicated service to Lionism.
- Having provided other than Lionistic service to the community, state, and nation.
- Having accomplished special achievements in, or contributed to, humanitarian service for those less fortunate, and
- Not having solicited in any manner for this recognition, which automatically eliminates the soliciting candidate for that year.

Note From Lion Josh Overfelt – District 2-A2 LCIF Coordinator:

I hope your summer was good and you are looking forward to real fall weather, not “False Fall” we are getting ready to experience.

This Lion Year, I am serving as the District 2-A2 LCIF Coordinator. My job is to let clubs know about the importance of LCIF and what it has to offer our organization. A brief history and description of the Foundation is as follows:

“The story of LCIF is epic filled with unlimited compassion and tireless support of Lions service. Founded in 1968, the mission of LCIF is to:

"Empower Lions clubs, volunteers, and partners to improve health and well-being, strengthen communities, and support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding."

“For more than 50 years, we’ve dedicated our energies to increasing the ability of Lions everywhere, helping them empower the communities they serve. With every grant we give, our history grows, along with the impact of Lions. Today, we couldn’t be more proud of where we stand, or more excited about the future of our work.” – LCIF Website

When a Lion thinks of LCIF we tend to think of disaster response and aid. This is a major part of the LCIF mission. On July 4, 2025, the Guadalupe River went on a historic flash flood rise in the early morning hours, devastating communities along the river from Hunt, Kerrville, Center Point, and Comfort. The rain system also inundated San Angelo and the area of Leander and its surrounding area. Within hours of the waters receding LCIF Area leaders and Coordinators for 3 districts began applying for emergency grants. MD2 was awarded a \$100,000 Major Catastrophe Grant, and 2-A2 was awarded an immediate emergency grant for \$15,000. The governors from the affected areas will manage these grants as the rebuilding effort begins.

These grants are made possible via your donations to LCIF. You can make personal donations, or your club can make one in the club's name. Personal donations will also earn you credits towards a Melvin Jones Fellowship or a Progressive Melvin Jones Fellowship. Clubs that donate and accrue over \$1,000 in donations will be eligible to give those fellowships as well. Any amount helps, as every dollar goes back to those in need. Not to a CEO or advertising but to those who need it. That is what makes our Foundation unique. If interested in donating, you can donate here:

<https://www.lionsclubs.org/en/donate>

I am available to come speak to your clubs about LCIF if you have any questions. Please get ahold of me at the info below.

Texas Lions Camp - Bright New Year Awaits TLC – Lion Ann Ward:

Happy New Year, Lions! I think 2026 is going to be a great year for Texas Lions Camp. From our upcoming semi-annual board meeting Feb. 7 in Kerrville to summer camp, TLC has a lot going on. Most exciting is moving forward on the master plan to update and expand TLC, while maintaining our commitment to Texas children with special medical needs.

Plan to attend the Semi-Annual Board Meeting Feb. 7 in Kerrville. Committee meetings will follow the morning breakfast and will conclude with our General Session meeting in the afternoon. I thank the following Lions for their willingness to chair committees this year:

| | | |
|--------------------------------------|---------------|----------------------------------|
| PDG Gary Sult | District 2-E1 | Audit |
| PDG Charles Villeneuve | District 2-S5 | Bylaws |
| PP Kent Basinger | District 2-X2 | Camp Improvements |
| 2 nd Vice DG Jared Wilson | District 2-S1 | Public Relations |
| PDG Madeline Birdsong | District 2-S4 | Camp Programs |
| PDG Brandon Greer | District 2-X2 | Development |
| PDG Jesse Rodriguez | District 2-A3 | Finance |
| Lion Don Noblit | District 2-E2 | Funds, Security & Investments |
| Lion Whitney Livingston | District 2-A2 | Historical |
| PCC John Eads | District 2-X1 | Planned Giving & Endowment |

As a teaser, you will hear the details about TLC's plans to replace 140 of the 250 beds lost during the demolition this fall and learn how these new facilities move TLC forward on the Master Plan to create four camps on one campus. A capital campaign to help finance this next phase of updating and expanding the camp will kick off. It's going to be an exciting meeting!

Camper enrollment opens Monday, Jan. 5! Lions, let's work hard to recruit summer campers. Reach out to special education teachers, school nurses, pediatricians, children's hospitals, etc.

With the tragic July 4th flooding in Kerrville last summer, parents of new campers may not be aware that TLC is not located on the river. Make them aware that TLC was never in any danger last summer as TLC’s structures are situated safely more than 1,500 feet above the Guadalupe river basin. Safety-related improvements – beyond the American Camp Association’s accreditation requirements which TLC has followed for decades – are being made to comply with state regulations which are scheduled for release in January. The full summer schedule is available on the [camp’s website](#). Be sure to link to TLC on your club’s website, Facebook and other social media platforms.

Camper Applications Open January 5th after 8AM!

Register now for Work Days -- and come see how the campus already has changed! Register online at www.lionscamp.com – under Get Involved! Remember, due to Easter being on April 5 this year, we will NOT have an April workday. Instead, there are two in March – the first and last Saturdays (March 6 and 27).

Be sure to update TLC's address in your contacts. The address change better aligns TLC with the 911 emergency response system. More accurate mapping will provide quicker response times in emergencies, and improved logistical coordination. And now TLC has one address for both mail and deliveries:

Texas Lions Camp
4000 Highway 27
Kerrville, TX 78028

As you ring in 2026, make a resolution to promote TLC to potential campers, to participate in Work Days and to support TLC through your personal Century Club membership. Consider an upgrade to your membership level for 2026. Be aware that you can fund a Century Club membership or Jack Weich Fellowship as part of a Qualified Minimum Distribution from your retirement account to TLC.

Thank you for everything you do for TLC! I look forward to seeing you in February. I wish you a happy, healthy New Year!

Kerrville Host Lions Club – Check Presentations

The Kerrville Host Lions Foundation awarded support to four organizations doing real work on the ground for local families, youth, and flood recovery. Representatives from All Hands and Hearts, Camp LaJunta, and Kerrville Sunrise Lions Club joined us to receive checks funded through the Foundation's flood relief fund.

The Ingram Little League received funds from the Kerrville Host Lions Club.

We stand as proof that generosity still moves faster than disaster. the height of the flood. We also have applied to the Kerrville Host Lions Club Foundation, which received Lion monies

Left to right – Alix Seyfarth, Scott Fineske, Lion Michael Bunch, Mark Hensley and Lion Danny Dean, president of the Kerrville Host Lions Club

- Alix Seyfarth accepted a \$50,000 check for All Hands and Hearts, a nonprofit providing direct, hands-on disaster relief for families still rebuilding after this year's storms.
- Scott Fineske accepted a \$50,000 check supporting The Outdoor Experience Fund, Camp La Junta's nonprofit arm that gives local youth a no cost weeklong experience at camp. Students are selected by their schools for leadership and good citizenship.
- Lion President Michael Bunch received a \$20,000 check to strengthen the Sunrise Lions' continued flood relief efforts throughout Kerr County.
- Mark Hensley accepted a \$20,000 check on behalf of Ingram Little League. These funds will help replace the scoreboards washed away during the July 4 floods and is sponsored by the Kerrville Host Lions Club.

These gifts only happen because Lions Clubs and donors around the world answered the call when our community was in urgent need

That support turned into real help and real hope for our neighbors. Everyone who contributed should feel proud of the impact made right here at home.

San Antonio Hosts LCICON 2030 – Host Committee Chair Lion Josh Overfelt

<https://sanantonio2030.org/>

Fellow Lions of 2-A2,

Hopefully, you know by now that in less than 5 years, 2-A2 will become the epicenter of all things Lions Clubs International when San Antonio hosts LCICON 2030! That's right, for the first time in 40 years, the International Convention will return to Texas and be in our backyard!

I am serving as the Chair for the LCICON 2030 Host Committee, the group in charge of organizing and pulling off this monumental task. Over the next 5 years, our committee will be fundraising, bringing awareness of the event, and signing up volunteers for the convention. At this time, we are kicking off our fundraising sales with some very unique collector items.

Every Lion year, beginning in July, we will release a new collector pin. When the set is complete, it will spell TEXAS. Each pin will be \$25, or if you don't want to wait, you can purchase the entire set at once for \$100 now and proudly show off your support.

For our clubs, we will be selling a Sponsor/Supporter Banner Patch that your club can purchase. Every Lion year, beginning in July, we will release a new section of the patch. When the set is complete, it will create a full image. Each patch piece will be \$250, or if your club wants to purchase the entire set, it will be \$1000. Several clubs around the state have purchased the entire at once. These patches are limited.

We also have sponsor pins for those who also wish to make a financial donation to the Convention. Depending on your donation, you will receive a Bronze, Silver, or Gold pin that you can proudly wear to show your support of LCICON 2030 San Antonio.

Our website is slowly coming online, so check back for more info.

I am including the order forms for the three items talked about above. Please return an order form digitally to lcicon2030sanantonio@gmail.com or mail the form along with a check or cashier's check made out to LCICON 2030 Host Committee to the following address:

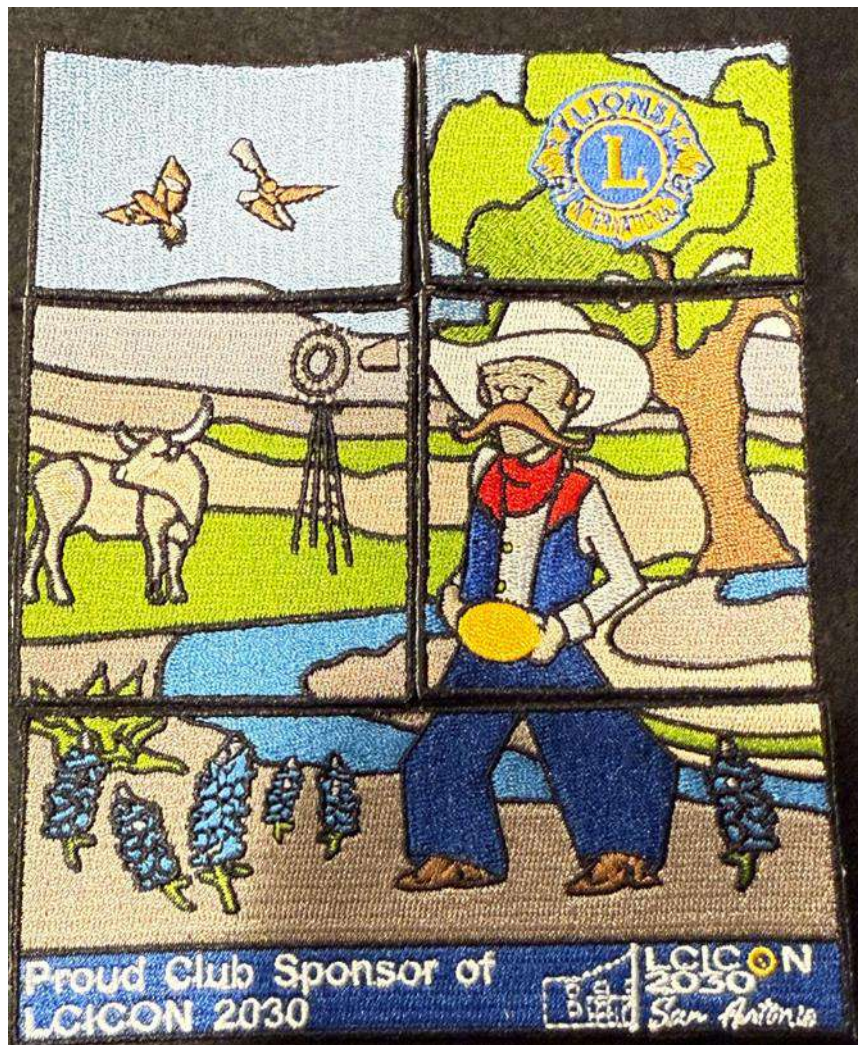

LCICON 2030 Host Committee
c/o Josh Overfelt
101 Lilac Lane
Del Rio, Texas 78840

I am including some pictures of the pins and patches so you can get a visual of what they look like.

A huge thank you for supporting LCICON 2030 San Antonio

Lion Josh

Sign Up, Step Up, Catch Up

For Century Club - It's "Service from the Heart"

If you aren't a member of the TLC Century Club, please "Sign Up"; if you are a member, consider "Stepping Up" to the next level; and if you were a member but dropped out, consider "Catching Up" (i.e., come back in).

What is Texas Lions Camp Century Club? It's an individual annual giving program, and as such, it is giving from your own heart, independent of Club budgets or fund raisers. It is one of the lifebloods of our operating budget, that in normal times sends up to 1500 children with special needs to Texas Lions Camp each summer, and yet less than 5% of Texas Lions are members.

Who can be a Century Club Member? Anyone can be a member. You don't have to be a Lion. It can be family or friends. You can even be a non-Texan, but it is our Texas Lions who are the backbone of the Century Club.

What does it cost to be a member? You can give your gift annually, or you can give monthly. A Bronze member is \$100 (\$10 if monthly); Silver is \$250; Gold \$500; Diamond is \$1,000; & Ambassador is \$5,000. Membership automatically renews each year, so members should join with the intention of making their same gift each year or even increasing their level.

How do I enroll or Step Up? Go to www.lionscamp.com, click on "Get Involved" and go to "Donate Now". There you will find "Ways to Give". Click that open and select "Century Club". If you scroll down, you will see the option to enroll online or to download and print out the form to send to the Camp directly.

Sign Up, Step Up, Catch Up is a drive to beef up our Century Club membership for the Texas Lions Camp, as a birthday present to Texas Lions Camp on its 75th Anniversary in 2024. Today we have half the number of Texas Lions, supporting twice the number of campers at over twice the cost, as we did some 30 years ago. If we reach our goal of an increase of **\$60/mo. among the members of EACH club in Texas**, we will generate an additional of **\$575,000 ANNUALLY**, which would generate 15% of our operating budget, and help us keep serving our special children into the future.

A \$60 increase from the members of each Texas Club is doable. "Signing Up" as a new Bronze member is a \$10/mo. increase (\$100 if pd. ann.); a new Silver is \$21/mo. (\$250/yr.); a Gold is \$42/mo.(\$500); etc. Likewise, "Stepping Up" from Bronze to Silver is an \$11/mo. increase; Bronze to Gold is a \$32/mo. increase; going from Silver to Gold is a \$21/mo. increase, etc.

\$575,000/year – now that's some 75th Birthday present!

There's a saying at TLC that "ALL CAN DO". Yes, Texas Lions, \$60/mo./club. WE CAN DO IT.

**TRAINING VIDEOS to
get a good start**

TWO OF THE FIRST THAT YOU WANT TO LOOK AT ARE:

[Navigating Lion Portal as a Lion or Leo \(youtube.com\)](#) and

[Navigating Lion Portal as a Leader \(youtube.com\)](#)

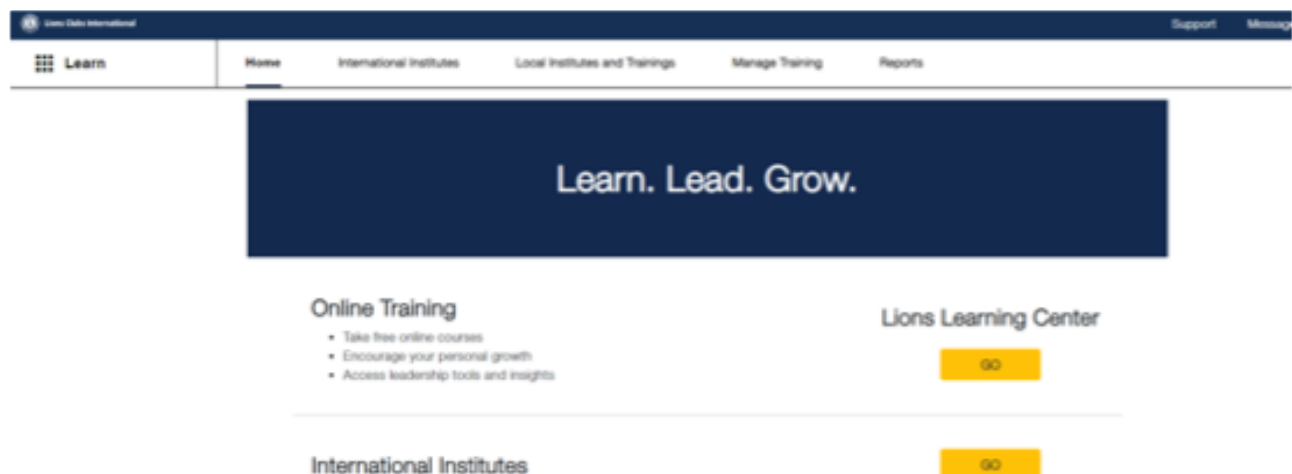

•GUIDELINES FOR EVERY *LIONS CLUB PRESIDENT*

•The beginning of learning about the role of Lions Club Vice President and President can be found at [LCI - lionsclubs.org](http://LCI-lionsclubs.org) in the e-Book at

[md_glEW1O9UElw3.jpg.pdf \(webdamdb.com\)](#) OR at the District 2-A2 website - District2a2.org at the Menu Choice called “DOCUMENTS” >> “TRAINING DOCUMENTS” At the same page at the District Website are e-Books for guidance in working as CLUB SECRETARY and CLUB TREASURER as well as guidance for several other key positions.

BEYOND THE BASICS

Lions Clubs International also provides a wide range of educational resources to help in specific topic areas which are located at the LIONS PORTAL under the Tab heading called “LEARN”. At “LEARN”, LCI offers a host of resources and tracks each Lion’s coursework which enables all of us and, especially, our District Leadership, to know the extent and level of training received. ‘LEARN’ looks like:

All of the topics are online and self-taught at whatever pace works for you. From the headings in the picture, you can see that there are multi-levels of learning from basic to institutional.

LOCAL RESOURCES

If, however, you as a Club Officer are looking for guidance at a more local level, know that your District Global Leadership Team is here to assist. Your first call should be to your Zone Chair who serves as your immediate connection to the GLT.
