

LIONS OF TEXAS 2-A2

Chisholm Trail

August 2013
Volume 1, Issue 2

From the District Governor

Greetings to Lions In
District 2-A2:

Someone once said: "We owe a lot to Thomas Edison - if it wasn't for him, we'd all be watching TV by candlelight." Of course, we owe the man from Menlo Park a lot more than that. Not just for his inventions, but for his insights on work, creativity and many other topics. Some examples:

- Persistence: "People are not remembered by how many times they fail, but how often they succeed. Every wrong step is another step forward." *We can keep this in mind as we ask folks to join our clubs!*

- On Effort: "The reason a lot of people do not recognize opportunity is because it usually goes around wearing overalls looking like hard work." *As Lions we KNOW that working hard in service to the less fortunate is our goal.*

2-A2 District Governor
Lion Rod Chisolm

- On Motivation: "Show me a thoroughly satisfied man - and I'll show you a failure. *That's why we continue to strive in Lionism!*

As the new Lion's year takes off, the early momentum has already asserted itself.

The International Convention in Hamburg was a tremendous success. It reviewed this Lions year

just completed with an emphasis on those Districts that saw an increase in membership, activities, fund raising and service. I'm proud to report that under the leadership of Immediate Past District Governor Richard Keilholz, our District was among the very best in all of these categories. I am proud to state that I, like you, are a part of the very best in Lionism!

The many noble activities in LCIF were highlighted, as were so many world-wide efforts by world-wide Lions.

New International President Barry Palmer made an impressive debut as International President as he introduced the International Theme for 2013-14 "Follow Your Dreams." President Palmer will be traveling throughout the entire world spreading his vision of Lions in Service.

From the District Governor

(Continued from page 1)

One of his first stops will be in South Texas! President Palmer and his wife, Lion Anne, will be arriving in San Antonio on July 25th and plans to motor to Kerrville that day to attend the Multiple District-2 Council of Governors meeting at the YO Ranch Hotel. This visit will give us an opportunity to introduce President and Mrs. Palmer to Texas Lions, as well as the Texas Lions Camp. During his visit, President Palmer asked to have the opportunity to meet as many Lady Lions as possible at a reception at the YO Ranch Hotel on Friday, August 2nd from 2 to 3 pm. Please, Ladies, try to attend this one! One of his "dreams" is to being the ratio of men / women in Lions to 50% / 50%.

On Saturday, August 3rd, President Palmer has asked to meet as many Club Presidents as possible from 1:30 to 3:30 pm, at the YO Ranch Hotel. All Presidents (or a representative, if one is not able to

attend) are cordially invited to attend this meeting. It promises to be a true gathering of Lions leaders.

On July 20th, District 2-A2 held its initial Cabinet Meeting in Helotes. The meeting was fast-paced and entertaining. The Helotes Club went out of their way to demonstrate their hospitality and their expertise in sponsoring a gathering of Lion leadership. More than one Lion came up to me to report that this meeting seemed to go by so quickly and efficiently. A lot was accomplished in an action-packed meeting.

I ask that everyone make an effort to attend the remaining Cabinet Meetings:

Saturday, October 5th at the Texas Lions Camp

Friday & Saturday, January 17-18 Mid-Winter Conference in Eagle Pass

Friday & Saturday, April 11-12 District Convention at the Airport Holiday Inn in San Antonio

A fun time - a productive time will be had by all who attend....as George Zimmerman used to say (before he was fired), "I guarantee it!"

Don't forget...we need to increase our NET Membership by 10%. With additional members we can accomplish additional things!

Don't forget...PID Mike Butler remains our FAVORITE SON...no one in Lionism can match his dedication, persistence, service, loyalty, experience, intelligence and leadership. Our collective admiration is focused on Lion Mike!

Sincerely,

Rod Chisholm

From Second Vice District Governor Jim Weed

July has been a busy month; new club officers, new district leaders and for 2-A2, a new club.

I got my first chance to wear my new blazer with the 2nd VDG

Patch on it at the Stockdale Lions Club charter night. My Lions vest is more comfortable, but I digress.

Several citizens of Stockdale were concerned about the lack of

facilities and events for the youth in their community. They were looking for a way to organize a group of citizens to address their concerns and improve the overall quality of life in Stockdale. Someone, I don't know who, said something like, "Ain't that what Lions Clubs do?" So in the blink of an eye a new Lions club was formed.

Well, actually, it took a bit longer

than a blink of an eye, but with the guidance and support from Guiding Lions La Juana Newnam-Leus and PDG TJ Tijerina, GMT Chairman VDG Sam Pantusa, and the sponsorship the Floresville Lions Club, the Stockdale Lions Club was organized and chartered. You can expect great things from the Stockdale Lions. They meet on the 3rd Monday each month at 6:30 PM, in the AG Science Building, 502 South 6th Street, Stockdale. Stop by for a visit.

I had a chance to do a drive-by in China Grove where the China Grove Lions Club was conducting an eye screening with the help of the China Grove Volunteer Fire Department. I could only stay for a few minutes, but enjoyed my time visiting with PDG

Pat Carroll and the China Grove Lions.

My home club, Converse Lions, partnered with a group called the "Red Hats" to clean a stretch of Farm Road 78 in Converse. The

"Red Hats" signed up with TxDot to clean the highway and needed some help in July since most of their members are winter Texans who headed north when the

Texas heat set in. It was hot

work, but rewarding. It's amazing the conversations you can have while picking up litter.

There's more to being a Lion than attending club meetings. Lions all across the district are out there doing good things, sometimes big, sometimes small, but all im-

portant to our communities. Put on your vest and show your neighbors what Lions do. It's the best way to attract interest and find new members.

Hospital Equipment Delivered by San Felipe Amistad Lions

Sometimes even medical facilities need someone to answer prayers for them. For over six years the San Felipe Amistad Lions has served as a Liaison

or Guardian Angel to various medical facilities in Cd. Acuna, Coahuila.

The Val Verde Regional Medical Center & San Felipe Amistad Lions serve as Ambassadors of Goodwill. The no-

ble endeavor enables patients across the border to be treated with high tech

and updated equipment. The donations are valued at over \$60,000.00 and with

the help of another fellow lion Professor Carlos Lara, things have become the answered prayers and blessing to facilities in need. This is a great team effort.

"The SFA Lions are grateful to be part of this humbling project. Special thanks to Floyd Willis from the

VVRMC and Professor Carlos Lara for making the team complete." said SFAL President - Claudia Lopez 1st photo shows Former Lil Ambassador of Goodwill and Future Lion Samantha Claudette

From District Chaplain Doug Thomas

Fellow Lions,

As I reported at our Cabinet meeting at Helotes we have lost several Lions since our District Convention last April. Northside Lions Club has reported that Lion Matt Walence died June 1. Lion Julie Fagan died and Bill Fagan was se-

verely injured when fire destroyed there in June. Please keep Lion Bill in your prayers as he is still in rehab. Lion Bill Melcher died the end part of June and his wife Agnes died while preparing for his funeral. Lion Bill was a very active Lion and was Area Chairman last year. In attending the funeral for Lion Bill and Agnes I learned that he was known in his home town as Mr. Sabinal. We learned of another special Lion's death when VDG Sam Pantusa reported that PCC Rey Costa died in North Carolina. Lion Sam reported that services were held in North Carolina and his ashes scattered over a favorite ocean front location. Lion Rey had served our International Association, MD2, Texas, and District 2A2 for over fifty years. At the cabinet meeting Lion Kelly Longbotham

reported the death of Lion Cora Gay Johns Zunker from the Utopia Lions Club.

Rest eternal grant them,
And let light perpetual shine on
them.

I thank those who have reported the passing of Lions in their clubs and ask all clubs to let the District Governor and me know when a Lion in your club dies. It is important that we be notified and please fill out the IN MEMORY form in the district documents and send it to me so that we can properly remember those Lions who have passed.

Thank you,

Lion Doug Thomas

Buffalo Valley Lions Club Teen Dance

The Community Center Dance, also known as CCD, is a fun way to hang out with your friends, win prizes, dance, and just have fun. Out of 50 people, 31 have been to the CCD and like it. The CCD is always the last Friday of every month. It starts at 7:00 p.m. and ends at 10:30 p.m. It is \$7 to get in, but on certain months it is free. Where is it? Schertz Community Center, 1400 Schertz Parkway, Building #3. Only 5th through 8th graders are aloud. For more information you can go to their [website](#) or call them at 210-646-155.

But there is a dress code! So you can't come in shorty shorts, or skinny tank tops. The rest of the dress code is on the website. They are very strict about it, so if you have never been, look at the website so you know what not to wear. They do have a concession stand inside where you can get pizza, soda, water, Gatorade, and candy. The prices are on the website as well. Come and check it out! If you don't like it, that's fine, but if you do, that's great and go again! The next dance will be August 30; bring school supplies and we'll see you there!

San Antonio Northwest Lions Club activities for 2012-2013

Here is a brief list of some of the accomplishments for the San Antonio Northwest Lions Club this year:

- Annually, the Lions Club awards a scholarship to an outstanding high school graduate. This year, we awarded Incarnate Word High School graduate Ashli Gabrielle Garza the sum of \$1,000. Ashli will be attending Blinn College pursuing a degree in Social Studies.
- In November, we delivered 13 food baskets to needy families.

The names of these families were acquired from the elementary school counselors that are within our service area .

- We work in conjunction with the University of Incarnate Word's School of Ophthalmology to aid elementary students who are unable to obtain eye glasses. As of this year, we have given out 13 eye vouchers to elementary students in the San Antonio Independent School District as well as Northside ISD's Holmes area.

- We collect used eye glasses and hearing aids for recycling.

- We helped in the preparing of a picnic lunch at Morgan's Wonderland for the children in attendance. Four club members were in attendance.

- We handed out cookies at the Texas Lions Camp Picnic on June 23rd. Seven club members were in attendance.

Good morning,

My name is Theresa Hutto and I am the granddaughter of Reynold H Costa. I wanted to let you know that he passed away on 7/15/2013. He was living in North Carolina and after a long battle with cancer went home to be with our Lord.

He spoke at length of the many great things that your Lions Club did to help people in need. He remembered all of you fondly and I wanted to thank you for the many years of camaraderie that you all shared with him.

Sincerely,
Theresa Hutto
