Lions International Purposes

- **To Organize**, charter and supervise service clubs to be known as Lions clubs.
- **To Coordinate** the activities and standardize the administration of Lions clubs.
- **To Create** and foster a spirit of understanding among the peoples of the world.
- **To Promote** the principles of good government and good citizenship.
- **To Take** an active interest in the civic, cultural, social, and moral welfare of the community
- **To Unite** the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- **To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- **To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Code of Ethics

- **To Show** my faith in my vocation by industrious application to the end that I may merit a reputation for quality of service.
- **To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- **To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- **Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- **To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- **Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give then freely of my time, labor, and means.
- **To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- **To be Careful** with my criticism and liberal with my praise; to build up and not destroy.

Major District 2-A2 Goals for 2011-2012

During this Service Year, I ask each of you, my fellow Lions, to take the theme of International President Tam when he states “**I BELIEVE**” and especially during these difficult economic times, when an increase in service to our communities is likely; we, more than ever, need to **BELIEVE** in our commitment and work together as a **TEAM**, because

Together–**E**veryone–**A**chieve–**M**ore

The majority of what we accomplish within our communities is done by the Lion membership. So, to continue and /or increase our level of Service to our communities we will need to encourage new members to join our clubs. To do this, we ask that each Club in our District to expend whatever effort is necessary to increase our membership. A very attainable goal is a Plus (+) One Lion membership for each Club.

We can only continue and increase our Service to our various communities by retaining the Lion members we have. To do this, we need to take better care our Lion members and have fun while serving. A good guide to use is the “Initial Record of New Member” which is on the back of the membership application.

The Future of Lionism lies with our youth of today. We must continue to shape and support our youth through the programs designed for our young people. To do this, we are requesting that each Club in District 2-A2 support at least on Youth Program.

Due to the great Service and Worthwhile work performed by the Texas Lions Camp Endowment Campaign, Stride for Sight, and the 100% Program, we are asking all Clubs to support these great Service Programs that benefit all communities within District 2-A2.

So that our District and Lions International can continue Serving, we ask each Club for the timely filing of reports and dues payment.

In order for a Club to function efficiently they need a Club Budget and Goals, along with each Lion developing their own individual Goals.

In order to provide Lion Services in unassisted communities, it is important to develop new Clubs in these areas. To do this, I ask all Lions to help identify these areas of Need. If you ask why, it is because **WE SERVE**.

Lions Emblem

Liberty, Intelligence, **Our Nation's Safety**

Throughout the world, Lions are recognized by the emblem they wear on their lapels. It consists of a gold letter "L" on a circular purple field. Bordering this a circular gold area with two lion profiles at either side facing away from the center. The word "LIONS" appears at the top, and "International" at the bottom. Symbolically the lions face both the past and the future-proud of the past and confident of the future.

Lions Prayer

Lord help me build a Lions Club that will be strong enough to know when it is weak.

Men and Women brave enough to face themselves when they are afraid

A Lions Club that will be proud and unbending in honest defeats, and humble in its victories

Help me build a Club whose wishbone will not be where its backbone should be

A Club whose heart will be clear and whose goal will be high

Lions who will master themselves before they seek to master others

Lions who will learn to laugh, yet never forget to weep

Lions who will reach into the future, yet never forget the past

They may ask that I be granted enough of a sense of humor so that I may always be serious but never take myself seriously

Give me the humility, so that I may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength, so that I have not serve thee and this Lions Club in vain.
