Lions International Purposes

- **To Organize**, charter and supervise service clubs to be known as Lions clubs.
- **To Coordinate** the activities and standardize the administration of Lions clubs.
- **To Create** and foster a spirit of understanding among the peoples of the world.
- **To Promote** the principles of good government and good citizenship.
- **To Take** an active interest in the civic, cultural, social, and moral welfare of the community
- **To Unite** the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- **To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- **To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Code of Ethics

- **To Show** my faith in my vocation by industrious application to the end that I may merit a reputation for quality of service.
- **To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- **To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- **Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- **To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- **Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor, and means.
- **To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- **To be Careful** with my criticism and liberal with my praise; to build up and not destroy.

LIONS EMBLEM

Liberty, Intelligence, Our Nation's Safety

Throughout the World, Lions are recognized by the emblem they wear on their lapels. It consists of a gold letter "L" on a circular purple field. Bordering this a circular gold area with two lion profiles at either side facing away from the center. The word "LIONS" appears at the top, and "International" at the bottom. Symbolically the lions face both the past and the future—proud of the past and confident of the future.

Lions Prayer

Lord help me build a Lions Club that will be strong enough to know when it is weak.

Men and Women brave enough to face themselves when they are afraid.

A Lions Club that will be proud and unbending in honest defeats, and humble in its victories.

Help me build a Club whose wishbone will not be where its backbone should be.

A Club whose heart will be clear and whose goal will be high

Lions who will master themselves before they seek to master others.

Lions who will learn to laugh, yet never forget to weep. Lions who will reach into the future, yet never forget the past.

They may ask that I be granted enough of a sense of humor so that I may always be serious but never take myself seriously.

Give me the humility, so that I may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength, so that I have not serve thee and this Lions Club in vain.

MAJOR DISTRICT 2-A2 GOALS FOR 2012 - 2013

Lions International has stated that there are five essential elements that go into keeping a club healthy and fully functioning. They are Community Service, Membership Growth, Leadership Development, Communication and Organizational Management. As your Governor, I hope to focus on each and every one of these elements in some capacity, whether it is through recruitment and retention, or through training programs that provide the leadership and expertise to better meet the individual needs of the clubs and the District as a whole. Remember that our Motto is, **“WE SERVE”** and in order to continue to serve our communities as LIONS **we need to be committed, have fun and stay focused.**

We Serve because We Care

As Governor of District 2-A2 I plan to work with each Club and

- Challenge each club to have a positive membership by year’s end by bringing in new members that can help increase service and better meet the identified needs of their communities.
- Promote the Youth Opportunities Programs. By doing so we have a direct influence on our youth, with the opportunity of promoting service.
- Encourage and provide training programs to Lions Clubs in the areas of orientation for new members, Club Excellence and other training programs that will build leadership, set realistic goals and help to better meet the needs of our communities.
- Form new Lions Clubs in areas that will best meet the identified needs of their community through service projects.
- Challenge each club to be in good standing with District 2-A2, MD-2 Texas and Lions Clubs International.

These goals cannot be accomplished alone, but together, with your support and commitment, we can accomplish these goals and help make District 2-A2 grow healthy, build future leaders and continue to provide needed service to our communities.

Richard J. Keilholz

District Governor

District 2-A2
