

# Global Services District 2-A2

January 2021

So now a new year has begun, & clubs see or dream of what is to come along the way. 2020 was a year to be mindfull of the possibilities we may have missed during all the problems that faced Lions Clubs around the world. That being said we need to keep clam a while longer , and start to plan our future service as things begin to change for the better.

At our last meeting I announced I had sent a paper old fashion style letter to 25 clubs, and received 11 responses back 44 % not to bad.

During 2020 some clubs were able to step up to service as they became restless at home with some clever ideas of service.

**Following are some service topics clubs were active in:**

**Cops 4 Kids Christmas, Blue Santa, Support for assisted Living residents, Vision, Eye glasses, Scholarships, Coat, & Blanket Collections, Health Fairs, Exam & Glasses Kids, Hearing Test school, Food Distribution, Purchased Insuilm, General medicine assistance, Assistance for Alzeheimer paients Starr org., Assistance to CASA, Eye Glass collections.**

While these are only what I received back I am sure there are more out there that we are not seeing. So send to me direct what service you are doing, and don't forget to try reporting it on the MyLion App for LCI.

If you have any trouble reporting on LCI let me know so we can get you some assistance there. Till next time.
